

# Bolivia Emergency Portable Power Supply Manufacturer

What does a power adapter do in Bolivia?

A power adapter for Bolivia is a small and lightweight plastic adapter that allows a Bolivian power outlet to accept a different type of power plug from a foreign region. It does not change the voltage in Bolivia, it only adapts the shape of the plug to fit into a 115 volt Bolivian power outlet.

What type of power plugs are used in Bolivia?

In Bolivia, power plugs and sockets (outlets) of type A and type C are used. The standard voltage is 115 /230 V at a frequency of 50 Hz. For more information, select the country you live in at the top of this page. We don't sell power plug adapters. We refer you to Amazon, where you will find a great selection of travel adapters.
