Inverter Battery. Inverter battery usually comprises a battery bank and an inverter but may lack a built-in charger. It converts DC power from the batteries into AC power for household appliances when the main power supply is unavailable. Usage: Suitable for powering multiple home appliances, particularly in regions with frequent power outages.

Exide 12v 42AH Powersafe Sealed maintenance free Battery. Original Replacement to UPS Battery. Model Description: Exide EP 42-12 Warranty: 2 year full replacement warranty. The Exide EP 42-12 replacement battery is a high quality battery designed to provide excellent performance, durability and long life.

On the basis of their maintenance needs, batteries are classified as either Flooded or Wet Cell lead-acid batteries and Sealed Lead-Acid (SLA) or Gel Cell batteries. The former needs maintenance, while the latter are maintenance-free. The Gel Cell batteries are costlier, and are also called as Valve regulated lead-acid (VRLA) batteries.
