One-to-three solar lights outdoor

three new solar ...

The TBI Security solar flood light is a great energy-efficient option to brighten your backyard or driveway. It comes with three separate light heads and the two side panels are adjustable. This enables the three lights to illuminate a section of your yard up to 355 degrees.

The GAMA SONIC three light solar lamp post with plastic planter is a nice way to have solar lights outdoors. I like that it's designed into a lamp post rather than the individual stick in the grass type of solar lights. I like everything about this lamp post except that the plant pot at the bottom is not made of a more durable material.
