CCTV Power Supply Box, Power Distribution Box for CCTV. A CCTV power supply box, also known as a power distribution box, allows surveillance system installers to easily manage the power to multiple CCTV cameras at a central point (usually at the location of the DVR). This allows your camera installation to be neater.

I have an outdoor outlet in a weatherproof box, but the wall adapter plus the USB-A plug sticking straight out is too long. I'm considering this Ring cable, which plugs into an outlet and then has an outdoor ready USB-C port, or just replacing my outlet with one that has a USB port built-in and keep it inside my weatherproof outlet cover box
