

PI6600 portable power bank

What features should you consider when buying a portable power bank?

Pass-through charging is another feature to consider; with it, you can charge your device and a portable power bank simultaneously. That's convenient if both your phone and backup battery are running on empty.

How do power banks compare?

We also compare power banks based on their power-to-weight ratio, which tells us how much battery life you get for the extra weight you're forced to carry. We've got power banks for power users that give you detailed information about the devices you're charging, or simple magnetic power banks that smile while your iPhone charges.

How much power does a laptop power bank have?

With a maximum power of 130W and two DC outputs - not to mention a variety of DC adapters included - this power bank is compatible with many laptops. That makes it useful for households with multiple types of laptops and devices. Unfortunately, this isn't TSA-approved, due to its 185Wh, over the 100Wh TSA standard.

Do I need a power bank?

If you are charging a small smartphone, a simple power bank will suffice. If you plan on charging a laptop occasionally as well, or many devices at once, you'll want a power bank with more power and more features.

What is the best laptop power bank?

Priced at \$99 / \$89, the Anker Laptop Power Bank offers excellent value for its power, versatility, and convenience. For users who frequently travel with large devices and require reliable portable power, this power bank is a solid and dependable companion. 6. Ugreen Uno Magnetic Wireless Power Bank 10000mAh 15W

How many devices can an anker laptop power bank charge?

The Anker Laptop Power Bank features 165W output, which means it can charge bigger, more power-hungry devices like a laptop just as effortlessly as it can juice up a phone or tablet. It can charge up to four devices and even comes with built-in cables.

Discover the best portable chargers to keep your phone, tablet, laptop, and other electronics running. Expertly tested for you to stay connected on the go.
