What is a foldable cargo container?

A foldable cargo container looks like a traditional container, but it offers the opportunity of saving space when it's not being used. This type of container can be folded vertically and horizontally with the port's standard machinery and, of course, handled with container spreaders. Why do we need to save space in shipping cargo?

Why should you buy shipping containers wholesale from pelicancontainers?

Buying in large quantities also eases shipping logistics and provides uniformity in size, design, and features. Plus, delivering the containers all at once relieves you of multiple shipments. Why Buy Shipping Containers Wholesale From Pelicancontainers?

How to buy containers from Pelican in bulk?

We're offering you the two best options for buying containers from Pelican in bulk: Through our network of international shipping lines. Even if the containers aren't available at the port nearest to you, we will transport them for a longer distance and it won't make a significant impact on the cost. Through our factory partners.
