

# Small portable mobile power bank

What is a power bank portable charger?

JB has power bank portable chargers of many sizes, but they're all easily described in one word--mini. Power banks are lightweight and range in size from less than a credit card to a bit larger and thicker than a mobile phone. That means most of them fit comfortably in your pocket for total portability.

What are the best portable power banks & power stations?

Power up your day with JB's top range of power banks and portable power stations! Choose from reliable brands like Belkin, Samsung, NRG Vault, and Anker, these power banks offer single and multi-port charging, compact design, and clear digital displays. Keeping your mobile device battery charged, no matter where you are.

What is a single port power bank?

Single-port power banks can mean there's only one port or one kind of port, such as USB-C. They're perfect for mobile phones and even laptops. Some of the reasons these USB-C power banks are a great choice include: Power capacity and battery capacity are measured in milliamp hours or mAh.

Can a power bank charge a laptop?

Some power banks in our range use solar panels to give you a continuous charge for your phone or laptop. JB has heaps of laptop power banks and portable chargers perfect for your MacBook, Microsoft Surface, HP, Dell and more. They're also handy for charging portable gaming consoles and all phones, iPads or tablets. Features include:

What features should you consider when buying a portable power bank?

Pass-through charging is another feature to consider; with it, you can charge your device and a portable power bank simultaneously. That's convenient if both your phone and backup battery are running on empty.

Where can I buy a power bank in Australia?

JB is the place to go for leading brand wired chargers and power banks, as well as wireless chargers, Magsafe, and magnetic wireless power banks in Australia. Leading brands mean devices we can trust, with technology we can rely on. Choose online and instore from: Ready to keep your tech charged on the go?
