

USA New York Container Refrigerator Wholesale

What is a refrigerated shipping container?

Interport's refrigerated shipping containers (called "reefers") keep perishables and other goods cold and moisture-free. Reefers can either be used as coolers or freezers. Their quiet operation makes them a convenient cold-storage option for work sites as well as public venues.

What size refrigerated shipping containers are available?

Interport's refrigerated shipping containers, aka reefers, come with factory-installed built-in refrigeration and comes in 20-foot, 40-foot, and 40-foot high-cube sizes.

What is a 40 ft refrigerated shipping container?

40FT. REFRIGERATED CONTAINER Interport's spacious 40-foot refrigerated shipping containers (also referred to as 40-foot reefers) have factory-installed refrigeration units that provide the coldest temperatures and lowest humidity available in shipping containers.

What is a 20 ft refrigerated shipping container?

REFRIGERATED CONTAINER Interport's 20-foot refrigerated shipping containers (also referred to as 20-foot reefers) have factory-installed refrigeration units that provide the coldest temperatures and lowest humidity of all available shipping container options. They protect food, chemicals, paper, and more from heat, mold, and condensation. **40FT.**

What is a 40 ft high cube refrigerated shipping container?

Interport's 40-foot high-cube refrigerated shipping containers provide the most space and value of all reefer options. The additional foot of height means more capacity to store temperature-sensitive goods or materials.
